From the teachers: <ul style="list-style-type: none"> <li>Welcome back to Term 4. We hope you have had a restful holiday break.</li> <li>Hats are a compulsory part of the school uniform after Labour Weekend. Could you please ensure your child has a named school hat or cap for Term 4. Hats and caps can be purchased at the school office.</li> <li>We are still encouraging children to bring rubbish free lunches on Tuesday and Thursdays.</li> <li>Our Kiwi Sport for this term is Cricket.</li> </ul>	

## Turtle Safe

**If the earth begins to shake.  
What do we do for safety's sake?  
Get under a table and hold on tight.  
And everything will be alright.**

**If there aren't any tables or you're outside.  
We have a different way to hide.  
Crouch on the ground and cover your head.  
Just like a turtle tucked in bed.**

**They'll be no need to cry or yelp.  
'Cause there's lots of people around to help.  
But you must practice what to do.  
Drop, cover and hold and you'll get through.**

Use an iPad or computer to look up the website - [easyscienceforkids.com](http://easyscienceforkids.com)  
Write down some interesting facts that you found out.

Draw a picture of what you would do at home, if there was an earthquake.

Think of 5 interesting words to describe an earthquake. For example, heave, juggling, etc.

## NZ ShakeOut

Last week, Sunnynook School participated in the New Zealand ShakeOut. Some of the activities are home based and we have set them for Home Learning over the next 2 weeks.

### Activities:

Walk around your home with an adult. Decide what areas would be safe in an earthquake and those that would be dangerous. List the safe areas and dangerous areas in your home learning book.

Show an adult at home how to Drop, Cover and Hold.

**WORLD EDUCATION GAMES  
COMPETITION IS NOW OVER!**

This year's World Education Games has been one of the most successful yet, with huge numbers in every direction...!

**6 MILLION**  
registered participants

**169 MILLION**

UNICEF points have been earned. 3P Learning will now translate those into cash to fund a huge number of projects.

**Students will shortly be able to log in and download their personal participation certificate, alongside a record of their individual points total and contribution towards the UNICEF project.**
